The information collected is required to process and manage the accreditation of a registrar for the .fr and, for accredited registrars, the fulfilment of the registration contract. The information collected is also subject to computer processing for the French Network Information Center (Afnic) for the management of Afnic customers pursuant to the French Electronic Communications and Telecommunications Act (CPCE). The recipients of the data are Afnic and the State, joint data controllers as well as the public for the information to be published. The data are updated throughout the accreditation period and deleted at the end of the legal limitation period (5 years from the end of the accreditation for the registrar in question). You have personal rights, namely the right to access, oppose, rectify and delete data, the right to limit the processing thereof, the right to lodge a complaint with a supervisory authority and the right to define guidelines for the retention, deletion and disclosure of your personal data in case of death; your personal rights may be exercised by contacting the Afnic legal affairs department at [juridique@afnic.fr](mailto:juridique@afnic.fr)

<sup>4</sup> Attach a recent commercial registry (Kbis) form (or equivalent, for companies subject to foreign law) or, for associations, a copy of the announcement in the Official Journal.
